

An International Symposium on Dissolution Science & Quality Drug Development

July 29th & 30th, 2025
(Tuesday & Wednesday)

Venue: BPOM RI, Jl. Percetakan Negara No.23, RT.23/RW.7,
Johar Baru, Kota Jakarta Pusat, Jakarta 10560, Indonesia

Organised by Society for Pharmaceutical Dissolution Science (SPDS) in collaboration with Indonesian Food and Drug Authority, Republic of Indonesia (Badan Pengawas Obat dan Makanan – BPOM RI), Embassy of India, Jakarta, QA-QC Managers Group, Indonesia, HISFARIN (Himpunan Seminar Farmasi Industri), Indonesian Pharmacists Association (IAI), Indonesia, School of Pharmacy, Institut Teknologi Bandung (ITB), Indonesia, Faculty of Pharmacy, and Universitas Gadjah Mada (UGM), Yogyakarta, Indonesia

Why Sponsor Disso Asia 2025?

With over 350 delegates from **Asia, Europe, and the USA**, this symposium presents an **unparalleled networking opportunity** for professionals across the **pharmaceutical industry, academia, regulatory bodies, and research sectors**. Your sponsorship will directly contribute to fostering discussions on analytical testing, regulatory advancements, and innovations in dissolution science—impacting the future of **pharmaceutical formulations**.

Key Benefits of Sponsoring:

- **Brand Visibility** – Gain exposure among key decision-makers, pharmaceutical industry leaders, regulatory experts, and academia.
- **Industry Influence** – Position your company as a thought leader and innovator in pharmaceutical dissolution science.
- **Networking Opportunities** – Connect with **regulators, researchers, manufacturers, and suppliers** from across the globe.
- **Market Expansion** – Strengthen your presence in emerging pharmaceutical markets and establish business collaborations.
- **Dedicated Sponsor Packages** – Customized sponsorship options include branding on symposium materials, exhibition booths, speaking opportunities, and exclusive networking sessions.

Who Should Sponsor?

Disso Asia 2025 offers an exceptional opportunity for companies across the pharmaceutical value chain to connect with industry leaders and showcase their support for innovation and quality. Ideal sponsors include those in **pharmaceutical analytical testing, dissolution testing equipment, excipient and specialty chemical manufacturing, and consultancy services**. We also welcome companies offering **plant-focused solutions such as furniture, paints and coatings, and insurance**. Whether you're directly involved in pharmaceutical development or provide essential products and services that support the industry, your partnership helps drive global progress in pharmaceutical standards and scientific advancement.

We invite you to be part of this transformative event and **align your brand with scientific excellence**.

For sponsorship send your inquiry using online sponsorship form available on <https://spds.in> or contact SPDS today using the contact details on page3.

Let's shape the future of pharmaceutical dissolution science together!
